

**Market commentary: Strong demand for Financials, Consumer Staples stocks fuelled VN-INDEX rise**

The VN-INDEX extended its upward momentum on Thursday, rising 1.0% to close at its three-week high as investors actively sought Financial and Consumer Staples stocks. Vietnam's main stock index began the morning session vigorously, with many large caps advancing. The index then managed to retain its upward course towards the end of the session, driven for the third consecutive day by market pillars from the Financials sector. Specifically, VCB climbed to VND83,000 (+1.1%) and alone added 1.0pts to the index, followed by smaller tickers such as BID (+1.2%) and CTG (+1.5%). Consumer Staples large caps joined the rally and further strengthened the climb, led by SAB (+2.3%) and VNM (+0.7%). The momentum was reinforced by several market pillars in the Utilities and Real Estate sectors, including GAS (+2.0%), VIC (+0.7%) and VRE (+1.7%). On the other hand, some notable stocks lost ground under strong selling pressure, including GVR (-0.9%), DAT (-7.0%), NVL (-0.5%). However, the bullish large caps managed to keep the index's advance intact. Finally, the VN-INDEX gained 8.1pts to land at 855.1pts (+1.0%), the highest since 23 Jul when it ended at 856.8pts, and the HNX-INDEX also closed up at 116.9pts (+0.7%).

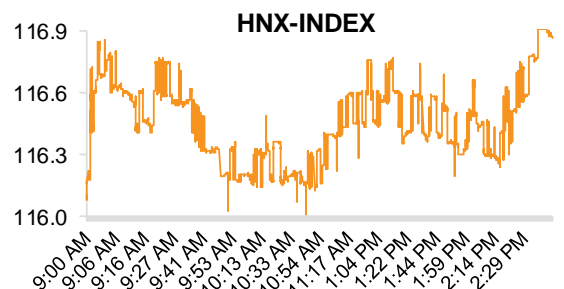

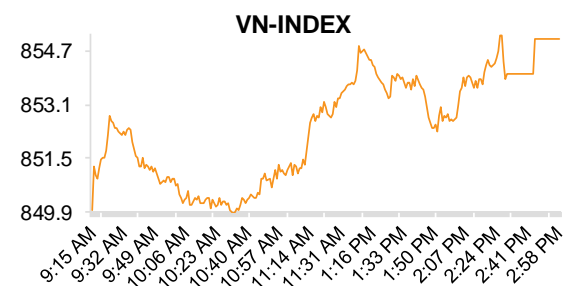

All sectors rose today, led by Consumer Discretionary (+2.3%), Utilities (+1.8%), and Industrials (+1.4%). Top index movers included VCB (+1.1%), GAS (+2.0%), SAB (+2.3%), VIC (+0.7%) and BID (+1.2%). Top index laggards consisted of GVR (-0.9%), DAT (-7.0%), NVL (-0.5%), EIB (-1.2%) and VGC (-1.8%). Top three major put-through transactions were PNJ with 2.2m shares (VND127.3bn), GEX with 5m shares (VND102.5bn), and VPB with 1.8m shares (VND35.6bn).

Foreigners net sold on HOSE to the amount of VND135.0bn, and also net sold on HNX to the amount of VND24.0bn. They mainly bought PNJ (VND127.3bn), VNM (VND70.2bn) and E1VFN30 (VND47.9bn); and mainly sold VHM (VND127.3bn), PNJ (VND127.3bn) and E1VFN30 (VND43.2bn).

## Market News

### Oil trades near US\$43 though IEA casts doubt on demand outlook

Oil was steady near US\$43/barrel after the International Energy Agency cut forecasts for global oil demand. Futures in New York edged higher though the agency reduced its estimates for almost every quarter through to the end of next year, citing the muted outlook for air travel. Russia's energy minister said the market is stabilizing and that OPEC+ plans no sharp moves. Prices have been trading near a five-month high in recent sessions as U.S. crude inventories declined for a third week. While gasoline demand in America is recovering, the picture for oil products has been far more mixed in other corners of the globe as the pandemic continues to spread. The IEA's report followed those from OPEC and the U.S. (*Bloomberg*)

### Vietnamese businesses owe nearly US\$900m in social insurance premiums because of COVID-19

As of July, businesses nationwide owed social insurance premiums totalling over VND20.6tr (US\$887.6m) due to the coronavirus crisis, according to Vietnam Social Insurance (VSI). To remove the difficulties facing affected enterprises, VSI has directed the suspension of contributions to the retirement and survivorship funds of social insurance programmes in cities and provinces. As a result, as at June, nearly 1,520 businesses had been approved to suspend such contributions.

VSI also issued a document in August guiding social insurance agencies in localities on the suspension of contributions to December. According to Deputy Director of VSI Tran Dinh Lieu, more than 15.2m people joined social insurance in the January-July period. Over 12.7m people had unemployment insurance, and more than 85.9m health insurance, or 88.8 percent of the population. The number of people taking part in compulsory social insurance, health insurance, and unemployment insurance fell compared to last year due to the impact of COVID-19, he said. But voluntary participation continued to increase. (*Vietnamnet.vn*)

## Notable Corporate Events

**Coteccons Construction JSC (CTD HOSE VN) – Dividend payments:** CTD has announced that 31 Aug will be the record date for paying the 2019 cash dividend at VND3,000/share. The payment will be made on 16 Sep. (*Dstock-uat.vndirect.com.vn*)

## DISCLAIMER

This report has been prepared by VNDIRECT or one of its affiliates for distribution in Vietnam and overseas. The information herein is believed by VNDIRECT to be reliable and is based on public sources believed to be reliable. With exception of information about VNDIRECT, VNDIRECT makes no representation about the accuracy of such information.

Options, estimates and projection expressed in this report represent the current views of the author at the date of publication only. They do not necessarily reflect the opinions of VNDIRECT and are subject to change without notice. VNDIRECT has no obligation to update, amend or in any way modify this report or otherwise notify a reader thereof in the event that any of the subject matter or opinion, projection or estimate contained within it changes or becomes inaccurate.

The information herein was obtained from various sources and we do not guarantee its accuracy or completeness. Prices and availability of financial instruments are also subject to change without notice.

This published research may be considered by VNDIRECT when buying or selling proprietary positions or positions held by funds under its management. VNDIRECT may trade for its own account as a result of short-term trading suggestions from analysts and may also engage in securities transactions in a manner inconsistent with this report and opinions expressed therein.

Neither the information nor any opinion expressed in this report constitutes an offer, nor an invitation to make an offer, to buy or sell any securities or any option, futures or other derivative instruments in any jurisdiction. Nor should it be construed as an advertisement for any financial instruments.

Officers of VNDIRECT may have a financial interest in securities mentioned in this report or in related instruments. This research report is prepared for general circulation for general information only. It does not have regard to the specific investment objectives, financial situation or particular needs of any person who may receive or read this report.

Investors should note that the prices of securities fluctuate and may rise and fall. Past performance, if any, is no guide to the future. The financial instruments discussed in this report may not be suitable for all investors. Investors must make their own financial decisions based on their independent financial advisors as they believe necessary and based on their particular financial situation and investment objectives.

This report may not be copied, reproduced, published or redistributed by any person for any purpose without the express permission of VNDIRECT in writing. Please cite sources when quoting.
