

**Market Commentary: The VN-INDEX rose beyond six-month high on support from Financials, Real Estate stocks**

The VN-INDEX closed up at 904.0pts today, the highest since late Feb, as investors, cheered by the market's perspective towards the year end, sought to buy Financials and Real Estate stocks. Following four straight gains of Vietnam's main stock market, investors became more optimistic after a VNExpress report published late on 2 Sep cited Ho Chi Minh Stock Exchange data as showing the VN-INDEX posted the biggest monthly gain among the world's stock markets in Aug 2020, having risen 10.4% mom. After today's opening bell, investors quickly sought blue chips, especially from Financials and Real Estate sectors. Notably, VCB's strong advance of 3.9% added 3.4pts to the index's rise, followed by other banks such as BID (+1.9%) and HDB (+4.6%). Real Estate stocks lent more support, with VIC and VHM rising 1.9% and 1.1%, respectively. Besides, VRE gained 3.1%. Other large caps joining the rally to further boost the market in late trading included VNM (+1.2%), SAB (+2.0%) and VJC (+2.0%). Finally, the rally successfully prompted the VN-INDEX to close 1.4% up at 904.0pts, the highest since 25 Feb when it ended at 909.7pts. In Hanoi, the HNX-INDEX rose 0.5% to land at 126.1pts.

**Financials (+2.0%), Real Estate (+1.4%), and Industrials (+1.4%) rose, while Energy (-0.1%), and Health Care (-0.7%) lost ground today.** Top index movers included VCB (+3.9%), VIC (+1.9%), BID (+1.9%), VHM (+1.1%) and VNM (+1.2%). Top index laggards consisted of PLX (-1.5%), CTG (-0.8%), DHG (-2.2%), BHN (-1.8%), and HVN (-0.4%). Top three major put-through transactions were GAB with 2m shares (VND302bn), VGC with 7.5m shares (VND164.6bn), and TPB with 3.8m shares (VND80.2bn).

**Foreigners net bought on HOSE to the amount of VND356.9bn, while net sold on HNX to the amount of VND8.3bn.** They mainly bought CTG (VND653.2bn), VNM (VND170.6bn) and HPG (VND68.2bn); and mainly sold VHM (VND165.4bn), VNM (VND149.0bn) and VHM (VND108.1bn).

## Market News

### Oil near five-month high with hurricane menacing U.S. refineries

Futures in New York were steady near US\$43/barrel. Laura made landfall early Thursday at Cameron, Louisiana, near the border with Texas, as a Category 4 storm. While the hurricane's path shifted away from refineries and ports in the Houston area, traders are waiting to assess the full extent of the damage and its potential impact on fuel consumption. More than 80% of oil output in the Gulf of Mexico and almost 3m barrels of a day of refining capacity has been shut ahead of Laura's landfall, causing a spike in U.S. gasoline prices earlier this week. It's also disrupting energy flows, with trans-Atlantic shipping rates rising and more than 60 oil and refined product tankers in the western U.S. Gulf waiting for the storm to pass, according to ship-tracking data compiled by Bloomberg. The hurricane is likely to have only a temporary market impact, with Covid-19 continuing to cloud the prospects for a more sustainable recovery in oil prices. (*Bloomberg*)

### Vietnam's CPI index goes up slightly in August

Vietnam's consumer price index (or CPI) went up 0.07% mom in August due to the impacts of heavy rainfalls nationwide and rise in domestic rice and education service prices, the General Statistics Office reported. The figure was down 0.12% from December and up 3.2% annually. On an eight-month calculation, the index rose nearly 4% yoy, the highest in the past five years. Among 11 categories of goods and services, seven saw rising prices, including food and dining services, beverages and cigarettes, housing and construction materials, medicines and medical services, transportation, education, goods and other services. Three others posted decreases in prices, including apparel, headwear and footwear, post and telecommunications, entertainment and tourism. Hike of school tuition for the 2020-2021 academic year also pushed up the education prices index by 0.18% from the previous month. (Vietnamnet.vn)

## Notable Corporate Events

**Industrial Urban Development JSC No. 2 (D2D VN, HOSE) - Dividend payment:** D2D has picked 18 Sep to be the record date for paying the 2020 cash dividend advance of VND1,500/share, a company resolution said. The payment will be made on 30 Sep. (Ndh.vn)

## DISCLAIMER

This report has been prepared by VNDIRECT or one of its affiliates for distribution in Vietnam and overseas. The information herein is believed by VNDIRECT to be reliable and is based on public sources believed to be reliable. With exception of information about VNDIRECT, VNDIRECT makes no representation about the accuracy of such information.

Options, estimates and projection expressed in this report represent the current views of the author at the date of publication only. They do not necessarily reflect the opinions of VNDIRECT and are subject to change without notice. VNDIRECT has no obligation to update, amend or in any way modify this report or otherwise notify a reader thereof in the event that any of the subject matter or opinion, projection or estimate contained within it changes or becomes inaccurate.

The information herein was obtained from various sources and we do not guarantee its accuracy or completeness. Prices and availability of financial instruments are also subject to change without notice.

This published research may be considered by VNDIRECT when buying or selling proprietary positions or positions held by funds under its management. VNDIRECT may trade for its own account as a result of short-term trading suggestions from analysts and may also engage in securities transactions in a manner inconsistent with this report and opinions expressed therein.

Neither the information nor any opinion expressed in this report constitutes an offer, nor an invitation to make an offer, to buy or sell any securities or any option, futures or other derivative instruments in any jurisdiction. Nor should it be construed as an advertisement for any financial instruments.

Officers of VNDIRECT may have a financial interest in securities mentioned in this report or in related instruments. This research report is prepared for general circulation for general information only. It does not have regard to the specific investment objectives, financial situation or particular needs of any person who may receive or read this report.

Investors should note that the prices of securities fluctuate and may rise and fall. Past performance, if any, is no guide to the future. The financial instruments discussed in this report may not be suitable for all investors. Investors must make their own financial decisions based on their independent financial advisors as they believe necessary and based on their particular financial situation and investment objectives.

This report may not be copied, reproduced, published or redistributed by any person for any purpose without the express permission of VNDIRECT in writing. Please cite sources when quoting.
