Drilling segment back in the red in 2QFY20

- PVD's 2QFY20 net profit was US\$2.6m, down 44.5% yoy, as the operating expenses of its jack-up rigs in Malaysia surged due to Covid-19.
- 1HFY20 reported net profit jumped 289.4% yoy thanks to bad debt collection, but core earnings declined 41.6% yoy, in line at 70% of our FY20F forecast.
- Reiterate Hold with an unchanged TP of VND11,700.

2QFY20 results: starting to feel the impact of Covid-19

2Q20 net revenue jumped 45.9% yoy thanks to a 9% yoy increase in average day rate, a 29.7% yoy rise in revenue from well-related services, and the added revenue from three leased rigs, which more than offset a decline in jack-up (JU) utilisation rate (78% vs. 90% in 2Q19). All four of PVD's JU rigs were working in Malaysia when the country implemented a full-scale lockdown due to Covid-19 in Mar (eased to partial restrictions in May). This led to escalated logistics and labour expenses in 2Q, thereby squeezing 2Q's gross margin by 11.3% pts and hurting the bottomline (net profit -44.5% yoy).

1HFY20 results buoyed by provision reversal

Given that Covid-19 only affected the drilling segment since 2Q, 1H20 results remained positive with net revenue rising 64.0% yoy and gross profit increasing 5.3% yoy. It is notable that PVD collected US\$3.3m of bad debts from PVEP (unlisted) in 1H, which allowed a US\$1.4m provision reversal while the company incurred US\$3.1m of provision expenses in 2Q19. This helped to boost reported net profit by nearly three-fold to US\$3.7m. Excluding the effects of provision (reversal) booking, core earnings was only US\$2.4m, down 41.6% yoy, in line at 69.9% of our full-year forecast, as we expect a weaker 2H20F with average utilisation rate down from 89% in 1H20 to 63% (2H19: 93%).

FY21F outlook supported by the TAD rig

We expect the regional drilling market to warm up gradually in FY21F, supported by sustained oil prices above US\$45/bbl, which is near the break-even price of regional developers. We maintain our forecasts of PVD's average utilisation rates at 76-80% in FY20-21F and average day rates sliding from US\$65k in FY20F to US\$60k in FY21F. We expect the tender assist drilling (TAD) rig to resume operations from Jul 2021, thus generating lower losses in FY21F vs. the cold-stacked 2017-19 period. From FY22F onwards, the TAD rig could contribute US\$6m-7m (or 18%) to total gross profit.

Reiterate Hold at unchanged TP of VND11,700

Our TP stays unchanged at VND11,700, based on an equal weighting of DCF and target FY20-22F P/BV of 0.4x. Upside risks are faster-than-expected debt collection and a quicker recovery of the drilling sector. Downside risks include a prolonged Covid-19 outbreak globally, which would weigh on investor sentiment and long-term oil prices.

FY21F outlook supported by the TAD rig ➤

We maintain our forecasts for FY20-22F, assuming oil price at US\$45/bbl in FY20F, then increasing gradually to US\$57/bbl in FY22F. We think oil prices would not see another crash, like in 2Q20, despite potential new waves of Covid-19 infections among nations, and would recover in line with the pace of re-opening of large economies. Oil price sustaining above US\$45/bbl (higher than the reported break-even price of many oil companies) for a period of time could lend support to drillers' sentiment, and the pace of demand recovery.

We expect PVD to be able to maintain an average JU utilisation rate of 80% in FY21F, however, at the expense of curtailed day rates. In terms of the tender assist drilling (TAD) rig, we expect the rig to resume operations from Jul 2021, thus generating lower losses in FY21F vs. the cold-stacked 2017-19 period. From FY22F onwards, the TAD rig could contribute US\$6m-7m (or 18%) to total gross profit.

VNDIRECT Securities Corporation is not an affiliate of CGS-CIMB.

This report is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation.

By accepting this report, the recipient hereof represents and warrants that he is entitled to receive such report in accordance with the restrictions set forth below and agrees to be bound by the limitations contained herein (including the "Restrictions on Distributions" set out below). Any failure to comply with these limitations may constitute a violation of law. This publication is being supplied to you strictly on the basis that it will remain confidential. No part of this report may be (i) copied, photocopied, duplicated, stored or reproduced in any form by any means or (ii) redistributed or passed on, directly or indirectly, to any other person in whole or in part, for any purpose without the prior written consent of CGS-CIMB.

The information contained in this research report is prepared from data believed to be correct and reliable at the time of issue of this report.

VNDIRECT Securities Corporation may or may not issue regular reports on the subject matter of this report at any frequency and may cease to do so or change the periodicity of reports at any time. Neither VNDIRECT Securities Corporation nor CGS-CIMB is under any obligation to update this report in the event of a material change to the information contained in this report. Neither VNDIRECT Securities Corporation nor CGS-CIMB has any and will accept any, obligation to (i) check or ensure that the contents of this report remain current, reliable or relevant, (ii) ensure that the content of this report constitutes all the information a prospective investor may require, (iii) ensure the adequacy, accuracy, completeness, reliability or fairness of any views, opinions and information, and accordingly, VNDIRECT Securities Corporation, CGS-CIMB and their respective affiliates and related persons including China Galaxy International Financial Holdings Limited ("CGIFHL") and CIMB Group Sdn. Bhd. ("CIMBG") and their respective related corporations (and their respective directors, associates, connected persons and/or employees) shall not be liable in any manner whatsoever for any consequences (including but not limited to any direct, indirect or consequential losses, loss of profits and damages) of any reliance thereon or usage thereof. In particular, VNDIRECT Securities Corporation and CGS-CIMB disclaim all responsibility and liability for the views and opinions set out in this report.

Unless otherwise specified, this report is based upon reasonable sources. Such sources will, unless otherwise specified, for market data, be market data and prices available from the main stock exchange or market where the relevant security is listed, or, where appropriate, any other market. Information on the accounts and business of company(ies) will generally be based on published statements of the company(ies), information disseminated by regulatory information services, other publicly available information and information resulting from our research. Whilst every effort is made to ensure that statements of facts made in this report are accurate, all estimates, projections, forecasts, expressions of opinion and other subjective judgments contained in this report are based on assumptions considered to be reasonable as of the date of the document in which they are contained and must not be construed as a representation that the matters referred to therein will occur. Past performance is not a reliable indicator of future performance. The value of investments may go down as well as up and those investing may, depending on the investments in question, lose more than the initial investment. No report shall constitute an offer or an invitation by or on behalf of CGS-CIMB or VNDIRECT Securities Corporation, or their respective affiliates (including CGIFHL, CIMBG and their respective related corporations) to any person to buy or sell any investments.

CGS-CIMB and/or VNDIRECT Securities Corporation and/or their respective affiliates and related corporations (including CGIFHL, CIMBG and their respective related corporations), their respective directors, associates, connected parties and/or employees may own or have positions in securities of the company(ies) covered in this research report or any securities related thereto and may from time to time add to or dispose of, or may be materially interested in, any such securities. Further, CGS-CIMB and/or VNDIRECT Securities Corporation, and/or their respective affiliates and their respective related corporations (including CGIFHL, CIMBG and their respective related corporations) do and seek to do business with the company(ies) covered in this research report and may from time to time act as market maker or have assumed an underwriting commitment in securities of such company(ies), may sell them to or buy them from customers on a principal basis and may also perform or seek to perform significant investment banking, advisory, underwriting or placement services for or relating to such company(ies) as well as solicit such investment, advisory or other services from any entity mentioned in this report.

CGS-CIMB and/or VNDIRECT Securities Corporation and/or their respective affiliates (including CGIFHL, CIMBG and their respective related corporations) may enter into an agreement with the company(ies) covered in this report relating to the production of research reports. CGS-CIMB and/or VNDIRECT Securities Corporation may disclose the contents of this report to the company(ies) covered by it and may have amended the contents of this report following such disclosure.

The analyst responsible for the production of this report hereby certifies that the views expressed herein accurately and exclusively reflect his or her personal views and opinions about any and all of the issuers or securities analysed in this report and were prepared independently and autonomously. No part of the compensation of the analyst(s) was, is, or will be directly or indirectly related to the inclusion of specific recommendations(s) or view(s) in this report. The analyst(s) who prepared this research report is prohibited from receiving any compensation, incentive or bonus based on specific investment banking transactions or for providing a specific recommendation for, or view of, a particular company. Information barriers and other arrangements may be established where necessary to prevent conflicts of interests arising. However, the analyst(s) may receive compensation that is based on his/their coverage of company(ies) in the performance of his/their duties or the performance of his/their recommendations and the research personnel involved in the preparation of this report may also participate in the solicitation of the businesses as described above.
